University Hospitals Bristol
NHS Foundation Trust

South West CTD & Vasculitis Meeting

Tuesday 17th September 2024, 2.00pm – 5.00pm

Trust Board Room, BRI, Marlborough Street, Bristol BS1 3NU

Or via Microsoft Teams

Our next meeting will be hosted and chaired by Dr Jo Robson, Consultant Rheumatologist, BRI.

Our guest speaker will be Dr Sarah Mackie, Consultant Rheumatologist, Leeds Teaching Hospitals NHS Trust, to talk about clinical trials in giant cell arteritis and polymyalgia rheumatica.

Volunteers needed for request for cases or audits or presentations. We would like to invite you all to present their interesting cases etc in the first part of this session, slots are 20 mins (15 presentation, 5 mins Q&A). Please email BIRD@birdbath.org.uk to volunteer.

The programme for the afternoon will follow shortly. We shall ensure the meeting is CPD accredited to allow us to accrue external CPD from our participation in the event.

This meeting will be a hybrid event, however we are encouraging face-to-face attendance at the PGMC, RUH in Bath. If you would like to confirm your attendance in advance please email BIRD@birdbath.org.uk. Please do let us know if you will be attending in person or virtually.

As communication is by e-mail alone, please feel free to pass this e-mail forward to anyone who may not be on our list. To join our mailing list, please [click here](#).

This meeting will be supported pharmaceutical companies. This event is operated independently, and pharmaceutical companies have no editorial control over its contents.
